

UP TO \$500 OFF
ENERGY STAR® Qualified Appliances
For Connecticut Municipal Electric Utility Customers Only

Get up to \$500 back from your municipal electric utility on your purchase of an eligible ENERGY STAR qualified refrigerator, freezer, clothes washer, heat pump water heater, or window air conditioner. This rebate is good for purchases made between January 1, 2011 thru December 31, 2012.

LIMIT: One rebate per municipal electric utility account per appliance.

To receive your rebate:

- 1) Fill out this form completely.
- 2) Enclose a copy of your dated sales receipt, recent electric bill, and the Yellow Energy Rating Label.
- 3) Mail to: **CMEEC – CT Municipal Appliance Rebate, 30 Stott Avenue, Norwich, CT 06360**

Please **DO NOT** include this rebate request with your utility bill payment. All rebate requests must be postmarked no later than December 31, 2012. Incomplete information may delay or disqualify your rebate. Allow six to eight weeks for processing.

ENERGY STAR® qualified appliances save energy and money, and help protect the environment.

www.energystar.gov

Join the national effort to help use energy wisely. Buy appliances that have earned the ENERGY STAR rating. Only products delivering the highest level of energy efficiency are awarded the ENERGY STAR from the U.S. Environmental Protection Agency and the U.S. Department of Energy.

What's so important about ENERGY STAR qualified appliances?

Saving energy also saves money. By using energy efficient products, the average household can save up to \$400 per year on utility bills. (Savings are estimated. Actual savings may vary.)

According to the U.S. EPA, if just 10% of us used ENERGY STAR appliances, together we would reduce carbon dioxide pollution by the equivalent of planting 1.7 million acres of new trees.

Rebate Requirements

This rebate offer is available to all customers of the Connecticut municipal electric utilities listed below. Limit: One rebate application per municipal electric utility account, per appliance. Eligible appliances must be installed at a location in the Connecticut municipal electric utilities' service territories. Valid for purchases between January 1, 2011 and December 31, 2012. All rebate requests must be postmarked no later than December 31, 2012. The municipal electric utilities reserve the right to conduct field inspections to verify installations. Please allow six to eight weeks for payment; payment process may take longer if information is missing on application.

Bozrah Light & Power • Groton Utilities • Jewett City Dept. of Public Utilities
Norwich Public Utilities • City of Norwalk Third Taxing District
South Norwalk Electric & Water • Wallingford Electric Division
